

2026 USEF PONY JUMPER CHAMPIONSHIP

Athlete's Guide

Welcome

Thank you for your interest in the USEF Pony Jumper National Championships. For many this will be the first time you have had the opportunity to compete on a team or represent your Zone in a National Championship. Pony Jumper Championships is your introduction to a multi-day championship format. Many Pony Jumper athletes have continued to represent their zones in other team championships including the North American Youth Championships and Junior Jumper National Championships. Several have continued forward on the path to represent the U.S. in International Competitions. Whatever your goals may be for the future, it is very important to fully understand and be prepared to compete at the Pony Jumper Championships.

2026 USEF Pony Jumper Championships August 4-8 | Lexington, KY

Please read all the information available to you on the USEF Pony Jumper National Championships page found [here](#). This page will give a general overview of the format, as well as selection procedures and FAQs. If you have any further questions or concerns please email us at ponyjumpers@usef.org.

Please note this guide is not a replacement of the [official prize list](#).

Be sure to read the prize list and schedule! It includes important information such as rules and the format that will be followed throughout the week. The format of the championship is different than a regular horse show with a jog for soundness, restricted schooling areas, and specific times for schooling.

We encourage each rider to fill out the Rider Biography form [here](#) for our announcers throughout the week.

Entries are due via Show Management System or mail no later than Tuesday, July 14.

Schedule

Important notes:

- Ponies that are not on the grounds for the Kentucky Summer Classic on Sunday, August, 2 are not allowed to arrive before 8am EST on Monday, August 3, no exceptions.
- ALL jumper ponies must be stabled on the competition grounds by 7am EST on Tuesday, August 4, no exceptions.
- Beginning at noon on Monday, August 3, ponies that have arrived on competition grounds are required to remain on the grounds until they have finished competing in all sections in which they are entered. Violation of this rule will result in elimination, no exceptions.

WITH SHOP USEF

Veterinary Inspection: Each pony competing in the Championships must pass the inspection otherwise known as the “jog” for soundness prior to the start of training sessions and competing. Small ponies will jog at 8am on Tuesday, August 4, with Mediums following. Large ponies will jog at 7am on Wednesday, August 5, followed by the 1.05m.

Training Session: A course of jumps will be set at the respective height for each division. Each athlete/pony combination will be allowed 70 seconds in the arena. There will be a course posted but it does not need to be followed, athletes may jump any jump they wish as long as it is in the correct direction according to the flags.

Individual Championship - Phase I: USEF Table II (clear round), jumping faults and any time penalties will be carried forward for Individual Classification.
Clear round blue ribbons only.

Team Championship & Individual - Phase II: Team orders will be drawn in the office prior to the start. Two rounds. Individuals will start first in both rounds, followed by teams. Each team's first round score will be determined by adding the faults incurred by the best three scores per team.

Second round course and starting order will remain the same, order of athletes within a team may not change. Team Classification is determined by adding the faults incurred by the three best competitors of each team in both rounds. To place in the Team Championship, three athletes must complete the course in the second round. Ties will be separated by total time of the best three athletes in round two.

Each competitor will jump two rounds. The first and second rounds of the Team Competition will serve as Phase II of the Individual Championship. Faults from Phase I and II will be totaled and carried forward for Phase III and Individual Classification.

Team placings only (1st-6th), no clear round ribbons.

Farewell Class: USEF Table II (clear round), open to athletes not qualified to compete in the Individual Final (see below). Results will be decided by adding faults incurred and any penalties for exceeding the time allowed.
No ribbons awarded.

Individual Championship - Phase III: Top 60% of athletes from Phase I and II are qualified to participate, including those tied for the last qualifying place. Athletes must have completed all rounds prior without elimination or retiring. If a qualified athlete is unable to start for any reason, they will not be replaced. In the event of a tie for the Gold, Silver, and/or Bronze Medal, a jump-off will be held.
Ribbons will be awarded to the overall placings 1st-10th place, no clear round ribbons.

Veterinary Inspection (jog).

Ponies must be presented in a bridle and **without** boots or a bonnet.

Please have back number with you. Athletes should be neatly dressed in boots, breeches/jods, show or polo shirt, helmets are recommended.

Training Sessions

Standard Jumper Attire; coats are not required. Shirts must have collars and sleeves (long or short) and must be tucked into breeches. Similar attire to jog.

Competition

Formal or Proper Jumper Attire; coats are required. White or fawn breeches/jods, shirts must be tucked into breeches and fastened at the top.

Additional Info

Nominations for the Pony Finals First Timer Grant in Honor of Taylor Madison Orłowski are due by July 6. Visit [here](#) for more information and nomination instructions.

Special award nominations are due Wednesday, July 29. Visit [here](#) for more information and nomination instructions.

Take the Emerson Burr Horsemanship Test! The Written Test (no more than 20 multiple choice questions) will be available from 11am-3pm on Tuesday, Wednesday, and Thursday at the USEF Concierge Area. Emerson Burr Test takers do not have to compete in Pony Finals to be eligible to take the test but must have an active USEF account and know their USEF ID and password to be able to take the test. Each Emerson Burr winner during Pony Finals will receive a \$500 grant to be used towards education expenses but, only Pony Final participants will be eligible for the grant. Participants are divided into four age groups: 8 and under, 9-11, 12-14, and 15-17. Each participant will take the written test. The four highest scoring individuals in each age group move on to the hands-on phase. The hands-on phase asks each finalist to demonstrate various skills and knowledge ranging from basic to advanced levels. Following the completion of the hands-on test, a winner from each age group will be selected based on his/her horsemanship skills and knowledge.
