Definition of Team Staff Roles:

Chef d'Equipe - the Chef d'Equipe is appointed by the USEF to oversee the management of the Athletes and Horses concerning Team and Individual performance.

Team Leader – the Team Leader is a member of the USEF Eventing Staff that supports the Chef d'Equipe and oversees the management of the Team logistics, including transportation, accommodations, and credentials.

Team Veterinarian – The Team Veterinarian is responsible for the observance of the FEI Veterinary Regulations and the execution of each Horse's care protocols. Personal veterinarians may attend the Event but must be under the supervision of the Team Veterinarian.
